DETAILED ACTION

Election/Restrictions

1. Applicant's election of Species A in the reply filed on October 12, 2004 is acknowledged. Because applicant did not distinctly and specifically point out the supposed errors in the restriction requirement, the election has been treated as an election without traverse (MPEP § 818.03(a)).

Claims 7-10, 13-16, 22, 29-32, 35-38, 44, and 47 withdrawn from further consideration pursuant to 37 CFR 1.142(b) as being drawn to a nonelected species, there being no allowable generic or linking claim. Election was made **without** traverse in the reply filed on October 12, 2004.
